## 🐾 NSBTC CHAMPIONSHIP SHOW 2007 Critique & Results

### Judge: Rob Drummond, Sparstaff, UK 🐾

---

It was an honour and a pleasure to judge for The Northern Staffordshire Bull Terrier Club, my thanks go to those involved in inviting me to New Zealand, and to all who worked hard to make our stay in Auckland such a memorable one, from being met at the airport and duly escorted to our excellent accommodation, from where we were duly picked up and taken to the excellent venue the following morning.

Our thanks also extend to everyone for the brilliant hospitality provided at the show, on the evening for dinner where there was a good turn out of approximately 30 enthusiasts and a welcoming friendly atmosphere. We also appreciate the hospitality extended after the show for the duration of our all too short a time in your beautiful country.

I would also like to thank the exhibitors for bringing their dogs for me to assess, some travelling from the south, and special thanks for the excellent services provided by my ever efficient steward, and of course to all committee members and helpers who contributed to a most enjoyable day.

I have to say however that I was concerned to find quite a few mouth faults. Particularly, varying degrees of converging canine(s), to the point where I found myself having to make allowances in otherwise sound animals, I feel this needs to be given attention in future breeding plans for those concerned. My major award winners all had good dentition.

I was astounded when informed on completion of judging that my dog CC and bitch RCC winners were not only litter brother & sister, but were also from the same litter as my CC winning dog the previous weekend in Australia, and their sire being owned/bred by the owners of my Australian BIS winning bitch.

Once again, thanks to all for making my visit here to judge in New Zealand such an enjoyable experience.

True straight front, good legs & feet, extremely level topline, which was retained on the move. Good tuck up to loins, good quarters, true & square. Excellent free moving dog showing good drive from the rear, he has good ring presence, he strutted around the ring like he owned it & for me, today he did! Handled well to **CC & BIS**. Stood out here, would trouble the best, I would be proud to own him.

Good typey dog who has plenty daylight under him. Good legs & feet, level topline, well tucked up. Presented in excellent condition, moved & handled well. Did well to beat my open dog winner in the challenge to secure **RCC & RBIS**.

### **1<sup>st</sup> - Aust/NZ Ch Belleden Golden Prince – Imp Aust**

**Wood**

*Sire: Ch Novastaff Beamish Red Dam: Ch Belleden Warrior Princess*

Impressive red, well put together, he is well balanced, showing an excellent blend of bull & terrier, good type. He is a strong, topsize lad, displaying a good strong head, good stop, dark eyes well set in a nicely domed skull. Correct skull to muzzle ratio, not too short. Front is good, correct ribs & topline, decent quarters, moved well, expertly handled, was given serious consideration in final lineup.

### **2<sup>nd</sup> - Westbred White Knight – Imp Aust**

**Morse**

*Sire: Gr Ch Gemstaff Tears of a Clown Dam: Ch Westbred Acid Queen*

Nice shaped headpiece on this pied dog, although a shade more strength would give a better balance. He has nice round dark eyes, set correctly in the skull, well chiselled stop. Stood foursquare, a shade deep in brisket, well boned, good ribcage & nice quarters, would have preferred to have seen him a pound or so leaner, which may have improved his overall outline.

### **3<sup>rd</sup> - Ch Highbourne Triple Crown – Imp Aust**

**Anderson**

*Sire: Ch Cherabah Ironside Dam: Highbourne Vintage Crop*

Bl/br of good type, impressive well balanced exhibit, good round bone to true front. Ample ribcage, good quarters, moved & handled well.

### **2<sup>nd</sup> - Challenger Midnight Special**

**Anderson/Clarke**

### **3<sup>rd</sup> - Warmaster Justify**

**Smid/Hughes**

*Sire: Bajed Mr Pea (Imp Aust) Dam: Warmaster Just The Miss Tique*

Br. pup approaching 6months, head developing nicely. A trio of excellent pups.

## Puppy Bitch

### **1<sup>st</sup> - Kidsgrove Mrs Jones**

**Evans-Brown**

*Sire: Ch Rojeme Tarbuck Dam: Kidsgrove LilyRose*

Br. with strong head, I forgave a slight dentition fault here, her other positive merits outweighed this in present company. True front, well boned, showing good balance, level topline, correct quarters, nicely tucked up.

### **2<sup>nd</sup> - Westwood Bolero**

**Clay**

*Sire: Ch Westwood Highwayman Dam: Cherabah Cool and Easy*

Bl/br, nice youngster whose head, although not as shapely as 1, was cleaner. Correct front, enough rib, good topline, misbehaved on the move, therefore unable to properly assess in this department.

### **3<sup>rd</sup> - Rojeme Rachel Hunter**

**Meredith**

*Sire: Ch Rojeme Micky Spillane Dam: Ch Sevilara Rambling Rose (Imp Aust)*

Nice rich red colour, lovely neat head, good expression, compact in body with good backend.

## Junior Bitch

### **1<sup>st</sup> - Shandarden Spice Girl**

**Wood**

*Sire: Aust/NZ Ch Belleden Golden Prince (Imp Aust) Dam: Ch Warmaster Thunderheart*

Impressive well balanced red bitch displaying a lovely headpiece with round, well set eyes, good foreface with desired clean lips, correct expression. True fronted example with correctly weighted bone to legs which are stood on neat feet. Correct depth to brisket, good level topline, well tucked up with good rear quarters, good pigmentation, stood foursquare. Moved soundly, well handled to **CC**.

### **2<sup>nd</sup> - Stoneheart Twistedcasper – Imp Aust**

**Anderson**

*Sire: Gr Ch Highbourne Lusk Star Dam: Stoneheart Hot to Touch*

Pied bitch who has a beautiful head with distinct stop. Nicely balanced & fitting the standard well, good bone, neat feet, compact in body. Presented in excellent order, she moved around the ring extremely well, with discernable drive from the rear, pushed 1 very hard. **RCC**.

### **3<sup>rd</sup> - Rowbust Solitaire – Imp UK**

**Chapman**

*Sire: Ch Rumrourke Russo's Rufflad Dam: Aymstaff Miss Understood at Rowbust*

Bl/br, densely coloured coat, strong headed specimen, good dome to skull, correct length of muzzle, good breed type, not quite as compact as 1 & 2, another nice example.

## Intermediate Bitch

### **1<sup>st</sup> - Ourgang Been Round Th Block – Imp Aust**

**Francis**

*Sire: Gr Ch Ourgang Hell for Leather Dam: Ch Ourgang Misguided Angel*

Topsized red bitch showing excellent balance, very typey animal who is well up on her pasterns, front nicely squared off, good shoulder placement, not a lot wrong with this one, presented in good hard condition, another one displaying the desired tuck up, moved well with economy of effort, well handled.

### **2<sup>nd</sup> - Warmaster Total Magic**

**Smid/Hughes**

*Sire: Bajed Mr Pea (Imp Aust) Dam: Cherabah Touchovmagic (Imp Aust)*

Topsized bl/br possessing a beautiful headpiece, neat ears, true straight front, powerful quarters.

## Veteran Bitch

### **1<sup>st</sup> - Ch Pitshaft Aphrodite**

**Byers**

*Sire: Challenger Midnight Ace Dam: Warmaster Ch Helstonian High Ransom (Imp UK)*

Strong bitch, at the top end of the standard, she has a good head, wide front, she is well boned, barrel ribs, seemed to be enjoying her day out.

## Open Bitch

### **1<sup>st</sup> - Ch Warmaster Double Dareya**

**Hughes/Smid**

*Sire: Bajed Mr Pea (Imp Aust) Dam: Wildtimes Stare If U Dare*

Standard sized bl/br with white chest, very clean lines on this bitch who fits the standard well, neat head with correct eyes, both in shape & setting in the skull, good ear carriage. Good reach of neck to correct shoulders, pump handle tail. In good hard condition, moved & handled well.

### **2<sup>nd</sup> - Hellfyre Foreign Affair – Imp Aust**

**Looker**

*Sire: Aust/NZ Ch Belleden Golden Prince (Imp Aust) Dam: Ch Alanaleigh Gogettemate*

Mahogany br/wh, fitting the standard well, leaning more to the terrier style & showing good type. Very good head on this fit bitch, who I feel isn't quite yet the finished article, she was extremely well tucked up to the loins, but not quite as hard & fit as 1. Good front, bone, & topline, moved well, expertly handled.

### **3<sup>rd</sup> - Ch Warfare Harem Scarem**

**Joyce**

*Sire: Ch Warfare Daddys Warrior Dam: Warfare Echo of Thunder*

Another impressive bl/br with a beautiful headpiece, neat ears, lovely wicked expression. Good front, neat feet, level topline, not quite as short in back as 1, looked a picture set up, but disappointed somewhat when moving, handled well.
