

Diane Riley  
14.2.20

Diane was born into the World of “Dog Shows” with her Parents Roselin & Terry O’Keefe having bred Bull Terriers under the **Brixton** prefix.

Brixton Bull Terriers were undoubtedly one of the Top Kennels of Bull Terriers in New Zealand at the time.

Diane owned and showed a couple of Brixton Bull Terriers herself and then went on to breed and show Australian terriers. Diane assisted her Parents to handle their dogs since she was knee high to a grasshopper, and was brought up in a close family unit, all of which are involved in breeding and showing.

Diane is licensed to Award ROM points to Bull terriers and Miniature Bull Terriers and Judge all Terriers, Gundogs, Utility and Non Sporting breeds at championship level.

She has judged Bull terriers in New Zealand, Australia and the USA and apart from Grous and other all breeds appointments, has judged the following Bull terrier specialty shows

- Canterbury Bull terrier Club
- Auckland Bull terrier Club
- Bull terrier Club of Victoria
- Bull terrier Club of NSW
