

Heidi Holland 'Boromir Bull Terriers' New Zealand

Dogs NZ 067273 AKC judges no: 94871 FCI judge no: NZ66

20.12.25

I purchased my first Bull Terrier in 1986, joined my nearest Bull Terrier Club and started to show. My husband Deane and I bred our first litter under the Boromir prefix in 1989 and I am still actively breeding under that prefix. I have been involved at all levels of administration for the North Island Bull Terrier Club since joining and received a life membership in 2007.

My first major show successes were in 1993 when Ch Boromir Miss Venomous won Best in Show at the Canterbury Bull Terrier Club under David Harris and her sister Ch Boromir War of the Roses was Best in Show at the Auckland Bull Terrier Club under Anna Harris the following week.

Boromir Bull Terriers continue to do well, winning 60 specialty best in shows to date and 50+ specialty runner up in shows. 29 of my Bull Terriers have achieved the Recognition of Merit award and more than 60 have their New Zealand Championship titles.

In 2012 I bred my first Miniature Bull Terrier litter using the New Zealand Kennel Club interbreeding protocol. An imported mini male was mated to my small Bull Terrier **BISS Ch Boromir Chianti ROM**. The Boromir minis still connect directly to **Chianti**, and the Vortex/Boromir minis to their interbred foundation **Ch Boromir Dragon Wytch from Vortex ROM** also born in 2012. To date I have owned or bred/co-bred 18 miniatures that have achieved their ROM titles.

Influential Bull Terriers in our kennel include:

(BISS) Ch Boromir Body Paint ROM - dam of two ROM's and seven champions

(RISS) Ch Quest Yggdrasil at Boromir ROM (Imp Norway) - dam of Am/Can/Aust/NZ Ch Boromir Quicksilver ROM, Ch Boromir Bootleg ROM and Ch Boromir Metalmorphosis.

(BIS, BISS) Ch Boromir Quicksilver ROM sire of ROM's and champions in New Zealand, Australia and America.

Ch Boromir Satyricon ROM – 4 speciality BIS, sire of three ROMs and five champions

Ch Boromir Chianti ROM – 5 speciality BIS, dam of two ROMs and three champions

Show team:

BISS Aust/NZ Ch Brasshead Anzac Poppy at Boromir A/NZ ROM, her daughter

BISS Ch Boromir Platinum Blonde ROM and the miniature

Ch Boromir Blair Wytch from Vortex ROM who has currently beaten the Bull Terriers to Best in show four times.

I continue to work with other kennels both in New Zealand and around the world in order to further my breeding program. Without them it would be difficult to continue and I am ever grateful for their help.

Dogs NZ (The New Zealand Kennel Club) licensed me to judge the Terrier Group at Championship level in 2010 and I am also on their Specialist Breed Panel for Bull Terriers and Miniature Bull Terriers. The Bull Terrier Club of America, the National Bull Terrier Council of Australia and the NZROM have approved me to award 'Recognition of Merit' points.

Countries that I have been fortunate enough to judge in include Australia, America, Sweden, Austria, Poland, New Zealand, and the Country Competition in Holland in 2015.

I try to travel once a year to shows outside of New Zealand to see what is happening in the breed in the rest of the world.
