Judges (All Breeds Show Only) and Bull Terrier Clubs must apply to the NZROM committee for the ROM award cards for each show using the appropriate form.

Judges Resume must be included in accordance with Part 4 of rules if necessary.

On receipt of the letter in 3c. the committee will forward the relevant number of ROM award cards. These will be numbered consecutively and the name of the Club, date of show and judges name will be recorded against the card number. If for any reason the numbered cards are not used they are to be returned to the NZROM committee secretary.

Judges (All Breed Shows Only) are to supply the NZROM secretary with a record of winning dogs' catalogue entries along with their ROM card numbers within two weeks of the shows completion.

The NZROM committee will appoint a representative to each qualifying all breed show, if possible, to assist in handing out the cards.

If there is a clash with timing and/or location between a ROM approved Bull Terrier Club Show and an All Breed show being judged by a ROM approved judge, the Bull Terrier Club Shows will take precedence and ROM points will not be available for the All Breeds Show.
