Duff the Bull Terrier, arrived in my life when I had saved enough money for the deposit on my first home, that, at age 22 was my first foray into the world of pedigree dogs. With it came encouragement to attend a ribbon parade a Reserve on Parade, and we were hooked! Well I was, but I'm not so sure about Duff!

I have been involved in the breed and showing since 1996 and in 2006 achieved our first specialty BIS with a co-owned bitch Ch Boromir Gothika of Vortex, under a Bull Terrier specialist judge. I have bred 15 litters, thirteen homebred champions and have achieved the Recognition of Merit title (ROM) with six home bred dogs, co-owned with Heidi Holland of Boromir Kennels. In 2012, using the approved interbreeding program we had our first litter of Miniature Bull Terriers.

I began attending the Waikato Judges Branch in 2003, and was accepted onto the Ribbon Parade panel in 2005. In 2010 I gained my Championship Terrier Licence and am qualified to issue tickets for Group 2. I am also approved to award ROM points for the Bull Terrier Club of America and the National Bull Terrier Council of Australia. In 2017 I had the honour of judging at the International Countries Competition in Holland.
